

BASS & FLINDERS NEWS 27/3/2020

Newsletter of South Cronulla Bowling & Recreation Club Ltd.
17 Chelmsford Ave. South Cronulla NSW 2230 Tel.(02) 9523 3401

Special update from the Board of Directors

You are a valued member of our wonderful club and we hope that you are safe and well as we face the challenges of the current coronavirus fight. Our federal and state governments point out that this is jointly a health and economic crisis. We ask for your continued understanding as we increase measures for your protection, in line with the latest government and bowls associations announcements.

Effective immediately our greens are closed to everyone except our greenkeeper(s). This closure means no roll ups or practice sessions until further notice. The club is locked and only staff and club officers have access for necessary maintenance purposes. The phone at the club is not being answered but we understand you may want to talk to us so please ring Garry Smith (Chairman), Peter Bryant (Secretary) or Julie Grantham (Treasurer) if you have any questions or concerns.

Regarding economic matters, the club is in a good position to reduce outgoings, pay essential staff and suppliers and emerge ready to resume normal trading and activities as soon as restrictions are lifted. Our ability to do so is thanks to your membership support and volunteering spirit, our hard work on functions and bar services and other income-generating activities. We will emerge from this virus prevention period ready to resume the friendship and competition we have traditionally enjoyed for over 65 years. The club plans to keep you posted on matters relevant to membership renewal (usually in June), and the AGM (usually in August).

We know many of you will already be doing this, but please consider keeping in contact with other club members, particularly anyone who may be alone at this time. We know that some members don't receive emails and we're going to use this time to address that gap. In the meantime please pass on the contents of this newsletter to any member you know who is missing out.

Following are some 'happy snap' memories from your special club which point towards future good times. We invite you to send us a favorite photo of yourself so that we can include some in future newsletters to cheer us all up. Please email to sthcronullabowl@optusnet.com.au

With best wishes and thank you for your support in these challenging times. Let's keep our chins up, our bowls polished and at the ready!

Garry Smith
Chairman
On behalf of the Board of Directors
