From the Board of Directors

The club held a very successful 65th Annual General Meeting on 25th August, with over 80 members attending. The Board congratulates the new Women's Club President Jenny Bisset and Men's Club President Ken English, together with their new committees to be elected. Congratulations also to Bill Tuite, on his election as a new Director on the Board.

Two photographs recently taken at the club, nicely illustrate our (informal) club motto of 'Friendship and Competition' which the club aims for as we go forward.

Left Photo: Club chairman Garry and retiring director, Geof Bursill, volunteering behind the bar.

Right Photo: Bowling mates Steve Heaps and Simon Boylan prepare for their fierce Singles Championship match, earlier (in June) this year.

As summer approaches, the Administrative Officer and Chairman will be organizing a refresher course for members, on CPR and use of the club's defibrillator. Members are strongly urged to attend when the dates are announced, as this training can assist any of us who may need urgent medical attention.

Vale, Bob Black. It was with sadness that the club learned of the passing of bowling member Bob Black after a short illness. Bob was a much loved and longstanding member of the club, a pennants playing member over many years, former handicapper, selector and life member. He was remembered with a minute's silence at our club recently and at the August Annual General Meeting. Our condolences are extended to his family. Bob's funeral and celebration of life will be held at the West Chapel, Botany Cemetery, on Tuesday 3rd September 10.30am, at which our club will be represented.Garry Smith, Chairman

My Community Project Application.

A big thank you to all those who managed to vote, or even attempted to vote, for our club to receive funding for the proposed new shades around our greens. I realise that the voting process was not exactly user friendly, particularly as it required some experience with using the computer and a good deal of patience. We should hear whether we have been successful by early to mid-September and I will let everyone know ASAP..... Peter Bryant.

New Members. A warm welcome to our three newest lady members – Chris Kearney, Bronwen Loomes and Reece Chambers. Please note Reece's mobile 0406 011 512 was omitted in error from some of the new directories just printed. These September 2019 Telephone Directories are now available, make sure you receive yours.

Ladies' Club News.

SCWBC has had a changing of the guard. The new president is Jenny Bisset and vice-presidents are Narelle Morgan and Robbie Austin; secretary Sue Christ; treasurer Alma Ford, match committee Anne Kinniburgh; coaches Narelle Morgan and Mary Smith; social committee Anne Webb; communications Leah Lowder and board representative Denny Turner. We are now looking forward to having a productive and harmonious year.

On Friday 23rd August we had a very successful open day attended by 60 ladies from numerous clubs in the area. Leah, as usual did a wonderful job in organising the whole event with Anne helping. There were a lot of smiling faces at the end of the day, from either taking home their winnings or from their luck in the raffles. A big thank you also to Sue, Robbie and Narelle for a sumptuous morning tea and to Frank for washing up. The finals of the ladies' triples will be played this week and you will be able to see the results in the next newsletter.

For all ears, the committee has decided to put a new lock on the ladies' room. There have been instances where things have been re-located to where nobody knows, so we have decided to up the security. Also, people say it's not a good idea to park your car on the opposite side of the street, especially if it is red. Just ask Narelle, twice damaged in one month, how unlucky can you be?Jenny Bisset, President.
