Board of Directors

Following the club's AGM on August 30th, the Board of Directors for 2020/2021 has been duly elected to these positions.

Chairman Garry Smith

Deputy Chair Cathy Ambrose

Administrative Officer Peter Bryant

Treasurer Julie Grantham

Directors Candice Murphy, Mal Patchett, Ken Stubbs, Billy Tuite and Denny Turner.

Safety at the Club

The club is following Covid developments and changes in NSW very carefully and implementing government requirements. We always have a necessary and identifiable **Hygiene Marshall** attending for appropriate club opening times.

The Friday night catering by food trucks is proving to be hygienic, good fun, and popular with members and guests. BOOK YOUR OWN TABLE WITH CATHY ON 0431228960.

Government and association safe distancing requirements will continue to be applied, for example you register the name and phone number of ALL members and guests on arrival, alcohol is only consumed at your table, and sanitizers and cleaning are utilised.

Afternoon Tea Service on bowling days

The Board was encouraged by the discussion on this issue at the Open (formerly men's) Bowling Club annual meeting on 30/8/20, following a poll which narrowly favoured retaining the tea service. The Board considered that a decision was required on tea arrangements at the club and resolved that a break for social games and tea service will be offered on Wednesdays, Thursdays and Saturday afternoon bowls, from Wednesday 7th October (to include the hot summer months). The club will trial a volunteer tea service with disposable, compostable cups, so that players don't need to make or clean up following afternoon tea.

Our management arrangements to address Covid safety during the recent trial of disposable, *compostable* cups and a 'tea marshall' service on Thursdays have proven effective.

The Board will monitor the popularity of the service, together with implications over such arrangements as the possible future amalgamation of the men's and women's clubs and of government Covid safety requirements. Women's club Tuesday morning bowls recently put arrangements in place for their tea service.

OPEN CLUB NEWS

Jack Attack The Open Club Bowling Committee has been requested to initiate and manage the approved '**Jack Attack Plus**' competition for the enjoyment of members and as an attraction for new bowlers. Keep an eye out for announcements about exciting Sunday afternoon events. We look forward to seeing you bowling and clubbing, and enjoying the friendship and competition we have traditionally prided ourselves on!

Open Club Championship Decided Congratulations to Simon Boylan, the new Open Club Champion and to runner-up Steve Heaps, following an exciting final played under difficult conditions. Photographs of Simon and the engrossed (socially distanced) spectator gallery are shown on page 3.

Upcoming Bowls Handicap Events

A note to all new bowlers: The club's handicap events will be starting in the next few weeks and I encourage all new bowlers to get into these events. For those new to competition, all bowlers are given a handicap from 0-5 and these handicaps will make you very competitive, even with the clubs top bowlers. These events are a lot of fun, especially the triples and fours. Steve Heaps..... Bowls Secretary.

Although we had to hold our AGM 2 weeks later than normal due to Covid-19, it went well and both Sue and I have learned lots and perhaps could learn a little more for next year. As we were unable to hold our two fashion parades and Melbourne Cup function, the ladies worked to put together a Market Day. To the credit of the ladies' club and under the guidance of Denny, were able to raise a grand total of \$4600.

The ladies' club is flourishing and we have put in place morning tea with eco- friendly cups. Anne Webb and Di Cousley have been in charge of serving tea and coffee in a Covid -safe way each Tuesday morning.

As we have had to cancel most competitions for the year we have managed to hold two major events just recently. The first major, was the singles and the finalists were Di Lloyd and Candice

Murphy. Di Lloyd was victorious over Candice in a hard fought game winning 25-21. The other major was the pairs championship in which Faye Seddon and Gail Anderson were winners 24 - 14 over Anne Kinniburgh and Kaye Lillis. It was a nail biting match and very entertaining to watch. Our next major will be the triples and that will conclude our competitions for this year.
